Delivery Schedule May 2020

COVID-19 Delivery Restrictions

Safety of our drivers and customers is paramount so our drivers will be wearing appropriate PPE such as masks, perspex visors and gloves during the delivery.

We regret that we will no longer be able to open padlocks to gates or storage areas or enter customer premises which means all deliveries will be kerbside drops with non-contact POD's.

We would ask that during a delivery, you allow the driver to fully unload your items before you start to handle them in order to ensure the 2 meter social distancing is maintained.
