## Tiverto

60TIV

Our smallest wood burning stove still provides exceptional heat while retaining the beautiful style and large viewing window our customers love. It's also our most efficient model – perfect for anyone trying to drive down heating costs.

### Dimensions in mm

Fuel Type	Wood
Output (kW)	5.0 kW
Efficiency (%)	84.4
Weight	65 KG
Warranty	Up to 10 years (T&Cs apply*)

## Stirling

60STIR

A large wood burner with an oversized window, the Stirling offers a step up from the Tiverton without sacrificing any of the looks. It's perfect for most room sizes and exceptionally popular with our customers.

### Dimensions in mm

Fuel Type	Wood
Output (kW)	5.0 kW
Efficiency (%)	83.9
Weight	87 KG
Warranty	Up to 10 years (T&Cs apply*)

## Framlingham

60FRAM

Our most powerful wood burner will warm even the largest spaces while still offering the looks our stoves are known for. It's the perfect choice for anyone looking to combine style with substance.

### Dimensions in mm

Fuel Type	Wood
Output (kW)	7.8 kW
Efficiency (%)	79.2
Weight	87 KG
Warranty	Up to 10 years (T&Cs apply*)

\*The Tiverton, Stirling, and Framlingham stoves come with a standard 12-month warranty covering safety, performance, and construction. This can be extended by an additional 5 years, provided the stove is installed by a qualified, competent, approved installer or appropriately certified by local building control, and the product is registered within one month of purchase. A further extension of 10 years is available if the stove is installed with a Schiedel flue system (flue must be registered separately with Schiedel).
