CASTLE
STOVE RANGE
SPECFLUE
Quality products, exceptional service

Stoves combining style & substance.

Whether you choose the Tiverton, Stirling, or Framlingham, a Castle stove is guaranteed to transform your space. Each model features an extra-large window that frames the fire perfectly, filling your room with exceptional heat and a comforting glow.

Style Meets Efficiency

Designed to keep you warm while driving down costs, our Defra-Approved range helps combat rising energy bills. Our precision-engineered, Ecodesign-compliant stoves can reduce emissions by up to 90% compared to open fires.

High-Performance Fuel for High-Performance Tech

To get the most out of your stove, correct burning is essential. Using dry, seasoned wood with a moisture content below 20% ensures maximum heat efficiency, lower fuel costs, and a cleaner environment. It also prevents soot and tar buildup, protecting the safety and longevity of your flue system for years to come.

CASTLE
STOVE RANGE

Power of Choice. Multi-Fuel Collection

Expanding the Castle collection, our multi-fuel models offer ultimate flexibility. Enjoy the same stunning aesthetics and exceptional warmth, with the freedom to burn either seasoned wood or smokeless solid fuels. Each model features a built-in grate and removable ashpan for effortless cleaning.

Tiverton
60TIV

Our most compact wood-burning stove delivers exceptional heat while showcasing the stunning design and large viewing window our customers love. As our most efficient model yet, it's the perfect choice for maximising cosy warmth while driving down your heating bills.

Fuel Type	Output	Efficiency	Weight	Warranty
Wood	**5.0kW**	**84.4%**	**65KG**	**Up to 10 years**

Tiverton
60MFTIV

The Tiverton Multifuel stove is a compact, powerful heating solution that blends timeless style with efficiency. It provides comforting warmth while reducing energy costs, making it ideal for small to medium living spaces.

Warranty for peace of mind

Every Castle Stove comes with a standard **12 month** warranty to give you total peace of mind.

This can be extended to **5 years** if the stoves is registered and has been installed by a qualified installer.

When your stove is registered and installed alongside a premium **Schiedel flue system**, this can then be extended to a maximum **10-year warranty** on the main body of the stove.
Please note that the external paint finish carries a one-year guarantee.
