

BBQ Starter

FIR550

The perfect accessory for any barbecue. Get hot charcoal that's ready for cooking in as little as 10 minutes. Made from durable aluminized steel, the Valiant BBQ Starter's large capacity will provide hot charcoal for all sizes of barbecues and grates.

Simply fill the chimney with charcoal and light the bottom using old newspaper or a firelighter – you'll have hot charcoal in no time.

- Hot and ready to use charcoal in 10-15mins
- Handle stays cool during use
- Extra-large size
- Improved food taste
