

Durham

Concealed 3-Piece Companion Set

FIR512

This elegant yet contemporary companion set neatly holds your tools next to a stove or fireplace. Keep your essential tools handy but secure with the help of brackets inside the container, while using minimal floor space.

The set consists of a shovel, brush and poker within a cylindrical container.

Compliment any modern or traditional living space with the Durham's simple clean lines and durable satin black finish.

Brushed stainless steel handles compliment the practicality of the functional tools.

- Contemporary floor mounted design
