

GAINSBOROUGH DEVONSHIRE STOVE KIT

The Devonshire is the larger of the two designs. At more than half a meter wide, it provides the scale required for rooms that benefit from generous proportions.

- HETAS approved product
- SiA ecodesign ready
- Defra Exempt for use in smokeless zones
- CE and EN13240 approved
- Energy Efficiency: A+

GAINSBOROUGH GILCAR STOVE KIT

The Gilcar is the slimmer option, and a little lower in height. It is designed to fit neatly and stylishly into most fireplaces, or for more convenient positioning in smaller spaces.

- HETAS approved product
- SiA ecodesign ready
- Defra Exempt for use in smokeless zones
- CE and EN13240 approved
- Energy Efficiency: A+
